## EXHIBITION

THE PAVILION OF GLASS  
& JEZUIT DORMITORY OF KLATOVY

**June 22nd to September 24th, 2017**

The exhibition of works by students visiting the Glass Atelier of the Academy of Fine Arts and Design in Bratislava offers the unique opportunity of becoming acquainted with the creative abilities of the youngest generation of Slovak glass artists in the Czech Republic. The glass studio run by Patrick Illo is a place that is open to creativity in free creation as well as for teaching to respect the practical needs of batch production of utility glass. It enables students to find new horizons of artwork and to shape their own style as well as showing them the way to showrooms and glass companies.
